RE: *Records Request*
State Police Gang Reports

Dear Mr. Morisey:

The Department of the State Police ("Department") has received your request seeking State Police gang records relative to the "H Block Gang in Hyde Park, Boston." You have submitted your request pursuant to G. L. c. 66, §10, the Massachusetts Public Records Law.

This office has been advised that any responsive reports regarding a Boston gang, even those generated by State Police officers working in Boston, would be retained by the Boston Police Department. Accordingly, you should direct your request directly to that agency.

Your attention to this matter is appreciated.

Sincerely,

Sean W. Farrell
Associate Chief Legal Counsel
